PUBLICITY BRINGS HOPE OF TOURISTS

Motor West Describes Arizona's Entire Road System in Long, Comprehensive Article

Possibly the deepest study of all of Arizona's roads ever compiled is contained in a recent issue of Motor West, a Los Angeles publication, wherein O. K. Parker of the Arnold Touring Information Bureau details his experiences in motoring through this state. Pictures, maps and diagrams illustrate the text, which contains liberal allowances of log data for prospective tourists.

Not one or two of the chief routes, but all recognized arteries of state traffic, are described in the article. The range is from the region of the Grand Canyon to the most distant reaches of Cochise county. There are more photographs of Arizona roads than have ever been published at one time before. Over a score of well-known spots are shown.

Motor West, in common with other motor journals has seized upon the beauties of this state for exploitation among tourists. Accurate information regarding routes and accommodations is given so that it is reasonable to expect that with the present rush of publicity the state's auto roads will begin to carry an extra burden of outside traffic.

NEW NOTARIES.—Notarial commissions were issued yesterday at the office of the secretary of state to J. R. Maxwell of Globe and Henri Behoteguy of Phoenix.

TEEPEE BOOK.—The next issue of the Teepee Book, a Sheridan (Wyo.) publication, will contain an account of the horseback ride of Miss Alberta Clark, from Phoenix to Tucson.

AT FORT GRANT.—Charles R. Osburn, secretary of the board of control and T. F. Nichols, assistant state engineer are at Fort Grant inspecting the property of the state industrial school.

LIFE TERMER APPEALS.—The appeal of Felix Lopez, sentenced to life imprisonment for first degree murder, was filed yesterday in supreme court. Lopez was convicted of the murder last June of another Mexican by the name of Lugo in Cochise county, and is now in the state prison at Florence.

BALTZ P. T. ASSOCIATION.—The social which was to have been held by the Parent Teachers' Association of the Baltz school on October 13, has been postponed until Halloween owing to the illness of some of the members who were on the program for the evening.

SURPRISE PARTY.—The members of the Second Baptist church, colored, surprised their pastor Rev. J. A. Wright Tuesday evening with a pound party. The members of the congregation brought appropriate gifts, taking this manner to show the high esteem with which they hold Mr. Wright.

W. C. T. U. MEETING.—The W. C. T. U. will meet at the home, 227 West Monroe street, on Thursday afternoon, with an unusually good program. The devotional services will be led by Miss Jacobs and Mrs. Donnelly will have charge of the program. Mrs. R. C. Barker will give a reading and Miss Lera Horrell a piano solo. Everybody invited.

FOR JUDGE'S CHAMBERS.—The office formerly occupied by the county engineer has been fitted up for a judge's chamber and will be used as temporary quarters for Superior Court Judge, Frank H. Lyman, until the proposed wing for the court house is completed. The county engineer is established in the Walker building for the present.

VAUGHN FUNERAL YESTERDAY.—The funeral of the late John F. Vaughn father of County Recorder Vaughn, who met his death by being dragged by a heifer, was held yesterday afternoon at 2:30 o'clock from the Christian church, Rev. Claude Jones officiating. The funeral was one of the largest attended which has been held in the city for a number of years. Interment was made in the Greenwood cemetery.

MOOSE DANCE TONIGHT.—The third of the series of winter dances given by the Moose lodge will be held this evening at 8 o'clock at Moose Home. The music will be furnished by Besse's orchestra. The affairs which have so far been held have been to very enjoyable to those present, and consequently a large crowd of Moose and their friends will probably be in attendance this evening.

HOP SMOKING COMES HIGH.—Lou Tong and Sing Lee, two natives of the Flower Kingdom, who were taken in tow by Officer Thurman on Tuesday afternoon on a charge of "hitting the pipe," were tried in the court of City Magistrate McBride yesterday afternoon and found guilty. The prisoners were assessed \$50 each or ninety days in the city jail. Policeman Thurman is becoming something of a specialist in running down Chinamen who are in the habit of forgetting their earthly cares by an indulgence in a session with the poppy pipe. He has captured four different celestial smoking outfits during the past few weeks, and has secured convictions on the charge of using opium in each instance.

MRS. YOUNG TAKES UP A NEW LINE OF WORK

Mrs. Etta Gifford Young, at one time a reporter on The Republican and later society editor of this publication, who for the past three years has been associate editor of the Arizona Magazine, has given up her editorial work for the present to accept a position with the M. J. Brandenstein Coffee Co. of San Francisco.

Mrs. Young as agent for Arizona, will travel over the entire state visiting all the larger cities, demonstrating the merits of the "M. J. B." brew in the best mercantile houses. In speaking of her new line of work, Mrs. Young said: "I believe I have as wide an acquaintance in Arizona as almost any woman in the state and I hope to make all my friends and acquaintances converts to the best coffee sold in the general markets of the country. Upon the issue, very largely, depends my personal success since I shall use the opportunity given me in my travels to secure material for further articles descriptive of Arizona scenery. I do this with the permission of the house; the M. J. Brandenstein company being one of the richest in the entire west and one that is most generous to its representatives."

"I shall begin my new work with a demonstration at the J. W. Dorris Grocery company, starting today and continuing there for ten days or two weeks. From Phoenix I go to Tucson, Globe and the other large cities of the state."

HONOR SYSTEM IS FAILURE

[ASSOCIATED PRESS DISPATCH]
OAKLAND, Oct. 13.—That the honor system for convicts is a failure was the declaration of Judge Erick of the State Supreme Court of Utah, before the American Prison association. "The theorists think it is only necessary to call a convict a man of honor to make him one," he said. "This pernicious error lets loose in a community many a dangerous man. An attempt to make citizens from confirmed rogues is trying to do what the Almighty failed to accomplish."
